Wildlife Mentor Procedure

Step one

As a Mentor you will be given the name address phone number email address of members of healing hands wildlife care .(Or the appropriate link to find this information) These details will be given to you by HHWC's secretary.

Step two

Contact your member either by telephone, Messenger or email welcoming them to the group, and explaining your role as their mentor. Establishing the level of commitment your member would like to give to the group. For example, are they happy to go on rescues, take on wildlife, attend fundraising or social events?

See appropriate policies and procedures prior to this conversation

Step three

Housekeeping

- Ensuring your group member have received handbook and all relevant information that will help them to feel included and informed about HHWC,
- Pass on all relevant information that may be useful to HHWC Committee.
- Ensuring your group members are kept informed and updated of all changes in policies and procedures.
- Ensuring your group members are kept up to date with all upcoming fundraising and social events.

Not all members will have wildlife in their care, some may want to go on rescues or the collection of wildlife.

If your member already has or is hoping to have wildlife in their care, or is willing to go on a rescue.

- Be on hand to advise with the rescue, rehabilitations and release of all wildlife that comes into their care.
- Wherever possible be on hand to carry out or assist in more complex rescues.
- Complex meaning rare species, remote not easily accessed, gruesome, or where there is a greater likelihood of an animal needing to be euthanised.
